

NATIONAL DO NOT CALL REGISTRY – IMPORTANT INFORMATION

UPDATED INFORMATION – April 3rd, 2009

Penalties can be severe for contacting an individual who has their phone number on the National Registry. Fines can be as high as \$11,000.00 per violation, not including private lawsuits. Phone numbers on the list, specific to OUR AREA CODES can be accessed at:

<https://telemarketing.donotcall.gov/>

On the home page, select “Download Phone Numbers” from the menu on the left.

Enter Organization ID: 257388-10701

Be sure that “Downloader” is selected

Enter Password: Sre*32779 (enter it exactly as shown here) & Log In

Yes to Certify

Then select “Interactive Phone Number Search”.

You can now enter one area code and up to 10 telephone numbers (7-digit numbers with no dashes).

Be sure to read and accept the Certification shown.

Press “submit” to get results.

By pressing “Reset” you can do this up to 10 times during each log-in session thus allowing you to search up to 100 telephone numbers per session.

Be sure to click on “Log Out” when you are done with your search session – then close the home page.

For your convenience, we have an icon for the Do Not Call Registry web site on our Forms Room Computer. Information is also available on the SRE agent only page. (Thanks Malte & Helene)

Agents and staff must become familiar with the Federal rules and SRE policies to insure compliance. Until further clarification is made it is Southern Realty’s policy that all associates immediately take steps to ensure that they do not violate the Do Not Call Federal and State laws and that SRE will not be responsible for any violations by their associates or staff.
